PRAYER FOR OUR WORLD, COUNTRY, AND PARISH –

Lord, Our God, we praise you, we thank you, and we glorify you. We know that you love us, your creation, and that you have empowered us in your image and likeness in those who believe in you and fulfill your commandments. Look upon all your creation and guide your people in this time of crisis and those you have given talents to and a vocation to bring healing in this time of pandemic. Give your authorities who possess knowledge and wisdom to fulfill your will and help the people of this world.

COMMUNION – You must tilt your head back, open your mouth wide, and not touch the spoon while receiving Holy Communion. The last two people in line should wait for the blessing to be given before departing for their pew.

BEGINNING AUGUST 10 – Construction will begin on the handicapped ramp for the church. You can view the architect's drawing on the bulletin board.

SUPPORT FEDERAL TAX CREDITS FOR SCHOLARSHIP FUNDS – Create an annual federal tax credit for voluntary donations to state-based scholarship granting organizations and workforce training organizations. The scholarships could be used by families for an array of educational options, including private school tuition, skilled trade union apprenticeship programs, and industry recognized certification programs. The grant amount, per state, could be tied to ESEA Title IIA calculations. States receiving these emergency grants would continue the scholarship programs, funded through philanthropy and the federal tax credit, going forward. (from USCongress of Catholic Bishops)
