STATEMENT ON ABORTION - Pope Francis has reiterated his stance against abortion, saying the procedure should not be carried out even when the fetus is deformed or gravely ill. The [Associated Press](#) reported that Francis, ..., was speaking Saturday at a Vatican-sponsored anti-abortion conference. He rhetorically asked his audience whether it was lawful to "hire a hitman to resolve a problem" or to "throw life away." Francis previously compared abortions to Nazi killings during the Holocaust. "Today we do the same thing but with white gloves," he [said](#) last June.
