UPDATE ON WATER DAMAGE TO SCHOOL HALL –The flooring of the school hall suffered extensive water damage from the heavy rain on Sunday, July 14. Our Advisory Board met on August 13 to discuss the situation. The Catholic Mutual Insurance Company has responded to the damage claim by sending a restoration adjuster to assess the damage. They are now checking for asbestos and potential asbestos abatement with the mastic that has been down on the floor. The restoration company suggested laying plywood around the perimeter and to sand and redo the main part of the floor.
